Decision on request to extend the information response period for an application for a PRCP schedule

Thank you for your written request received on 31 March 2025 to extend the information response period from 4 April 2025 to 29 August 2025. This request is in relation to the application described below.

1. **Application details**

The application for a proposed PRC plan was received by the administering authority on 20 March 2024.

The application reference number is: C-EATPRCP-100623563.

Land description: Mining Lease (ML) 4553, ML4559, ML4714, ML50077.

2. **Decision on requested extension to the information response period**

Your request to extend the information response period has been approved. The information response period has been extended and will now end on **29 August 2025**.

3. **Reasons for the decision**

Extending the submission period of the information request will provide Chum Street Pty Ltd with a reasonable amount of time to complete technical studies and incorporate them into a response to the information request.

¹ The Department of the Environment, Tourism, Science and Innovation is the administering authority under the *Environmental Protection Act 1994*.

Decision on request to extend the information response period

4. Human Rights

A human rights assessment carried out in relation to this decision, and it was determined that no human rights are engaged by the decision.

Should you have any questions in relation to this notice, please contact the department on below details.
