Decision on request to extend the information response period for an application for a proposed PRC plan

Thank you for your written request received on 29 August 2022, to extend the information response period from 12 September 2022 to 9 January 2023. This request is in relation to the application described below.

1. Application details

The application for a proposed PRC plan was received by the administering authority on 21 December 2022.

The application reference number is: EPML00634113.

Land description: ML1787, ML1788, ML1881, ML1884, ML1995, ML2355, ML70334, ML70343 and ML700020.

2. Decision on requested extension to the information response period

Your request to extend the information response period has been approved. The information response period has been extended and will now end on **9 January 2023**.

3. Review and appeal rights

There are no review or appeal rights available for you as this decision is not an original decision. Note that you may have other legal rights and obligations.

¹ The Department of Environment and Science is the administering authority under the *Environmental Protection Act 1994*.
