Decision on request to extend the information response period for an application fora proposed PRC plan

Thank you for your written request received on 12/07/2023 to extend the information response period from 28/07/2023 to 29/02/2024. This request is in relation to the application described below.

1. **Application details**

   The application for a proposed PRC plan was received by the administering authority on 30/06/2021.

   The application reference number is: **EPML00712113**.

   Land description: Mining lease (ML) 1231, ML1259, ML50119, ML100059, ML1192, ML1203, ML1204, ML1206 and ML1210**..**

2. **Decision on requested extension to the information response period**

   Your request to extend the information response period has been approved. The information response period has been extended and will now end on 1/04/2024.

3. **Reasons for the decision**

   On 12 July 2023 you requested to extend the information request date to 29 February 2024 as per section 147(2) of the EP Act. The department has considered the request made by you and decided to agree to the additional time.

[1] The Department of Environment and Science is the administering authority under the *Environmental Protection Act 1994*.

Queensland Government

4. **Review and appeal rights**

You may apply to the administering authority for a review of this decision within 10 business days after receiving this notice. You may also appeal against this internal review decision to the relevant court. Information about your review and appeal rights is attached to this notice. Note that you may have other legal rights and obligations.

Should you have any questions in relation to this notice, please contact Giles Bezzina on telephone 07 4222 5456.
