

Environmental Authority (Petroleum Activities) Permit Number: PEN200104107

Section 134 Environmental Protection Act 1994

This environmental authority is granted under the Environmental Protection Act 1994 and includes conditions to minimise environmental harm caused, or likely to be caused, by the authorised petroleum activities. An environmental authority (petroleum activities) may be for petroleum activities authorised (under the Petroleum and Gas (Production and Safety) Act 2004, Petroleum Act 1923 or Petroleum (Submerged Lands) Act 1982) to occur under one of the following petroleum authorities: authority to prospect; petroleum lease, data acquisition authority, water monitoring authority, petroleum facility licence, survey licence or pipeline licence. In general, a petroleum activity means an activity that, under the relevant petroleum legislation, is an authorised activity, rehabilitation, remediation, and includes facilitation and supporting activities and any action taken to prevent environmental harm.

Under the provisions of the *Environmental Protection Act 1994*, this environmental authority (petroleum activities) is issued to:

Sentry Petroleum (Australia) Pty Ltd
38 Milson Street
SOUTH PERTH WA 6151

in respect of carrying out the following level 2 environmentally relevant activity(ies) (ERAs) of Schedule 1 of the *Environmental Protection Regulation 1998*:

ERA	DESCRIPTION
21E	A petroleum activity not otherwise prescribed under Schedule 1 of the <i>Environmental Protection Regulation 1998</i> as a Level 1 environmentally relevant activity.

on the relevant petroleum authority(ies) identified below:

Relevant petroleum tenement(s)	Project (where applicable)	Location description
Authority to Prospect 862		Barcoo, Longreach, Ilfracombe and Isisford

Advisory Statement

Pest and weed species should be managed to minimise population growth and proliferation. Minimisation may include ensuring that activities associated with the conduct of the environmentally relevant activities approved by this authority are:

- (a) restricted to formed tracks if possible; and
- (b) conducted from non-infected areas to infected areas.

This environmental authority (petroleum activities) is subject to the condition that the holder carry out the above environmentally relevant activities in accordance with the conditions listed below.

This environmental authority takes effect from the date that ATP 862 is assigned to Sentry Petroleum (Australia) Pty Ltd and remains in force unless the environmental authority is cancelled, surrendered or suspended.

M. McNamara

Signed

28/07/2008

Date

Mark McNamara
Delegate of Administering Authority
Environmental Protection Act 1994

Note: This environmental authority document is not proof of the current status of the environmental authority. The current status of the environmental authority may be ascertained by contacting the Administering Authority.
