

Registration certificate

Environmental Protection Act 1994

Registration certificate

No: ENRE00758708

This registration certificate is issued by the administering authority and takes effect from: 10 June 2011.

The anniversary day for the purposes of the Annual Return remains: 16 May.

This registration certificate is a requirement of section 73F of the *Environmental Protection Act 1994* and authorises the registered operator to undertake the activity listed below at the following place; subject to the conditions set out in a development approval attached to the premises, or the relevant code of environmental compliance.

Registered Operator:-

Wild Game Resources Pty Ltd
55 Curtin Avenue
HAMILTON QLD 4007

Place:-	Located at:-	Registered Activity:-	Development Approval:-
Lot 886 Plan SL6135	57 Curtin Avenue, HAMILTON QLD 4007	ERA 25 Meat processing Threshold 1(a) - processing, not including rendering, in a year, 1000t to 5000t of meat or meat products	IPDE00922808

Delegate
Department of Environment and Resource Management
Environmental Protection Act 1994

10-JUN-2011

Development Permit

EPA Permit¹ number:	IPDE00922808
Application (Converted Development Approval) No.	SR2315
Relevant Laws and Policies:	<i>Environmental Protection Act 1994</i> and any subordinate legislation

Development Description

Property/Location

Portion 886 of SL6135, Parish of Toombul, County of Stanley.

located at: 55 Curtin Avenue
HAMILTON QLD 4007

Carrying out of Environmentally Relevant Activity (ERA)

32(b)(ii) Meat processing - Slaughtering animals for commercially producing meat or meat products for human consumption, or processing (other than smoking mentioned in item 35) or packaging of meat or meat products for human consumption if paragraph (a) does not apply in works (other than a retail butcher shop) having a design production capacity of 3 000 t or more but less than 6 000 t per year

Additional information for applicants

This approval pursuant to the *Environmental Protection Act 1994* does not remove the need to obtain any further approval for this development which might be required by other State and / or Commonwealth Legislation. Applicants are advised to check with all relevant statutory authorities. Applicants also should comply with all relevant legislation.

It is a requirement of the *Environmental Protection Act 1994* that if the owner or occupier of this site becomes aware a notifiable activity (as defined under schedule 2 of the *Environmental Protection Act 1994*) is being carried out on this land or that the land has been affected by a hazardous contaminant, they must, within thirty (30) days after becoming so aware, give notice to the Environmental Protection Agency.

Environmentally Relevant Activities

The aforementioned description of any environmentally relevant activity (ERA) for which this permit is issued is simply a restatement of the ERA as prescribed in the legislation at the time of issuing this permit. Where there is any conflict between the abovementioned description of the ERA for which this permit is issued and the conditions specified herein as to the scale, intensity or manner of carrying out of the ERA, then such conditions prevail to the extent of the inconsistency.

¹ Permit includes development approvals, approvals, permits, authorisations, certificates, sanctions or equivalent/similar as required by legislation administered by the Environmental Protection Agency and the Queensland Parks and Wildlife Service

This permit authorises the ERA. It does not authorise environmental harm unless a condition within this permit explicitly authorises that harm. Where there is no such condition, or the permit is silent on a matter, the lack of a condition or silence shall not be construed as authorising harm.

In addition to this permit, the person to carry out the ERA must be a registered operator under the *Environmental Protection Act 1994*. For the person to become a registered operator, they must apply for a registration certificate under section 73F of the *Environmental Protection Act 1994*.

R. Kent

Delegate of Administering Authority
Environmental Protection Act 1994

Date: 14/7/18

Conditions of the Development Approval

This development approval consists of the following schedules of conditions relevant to various issues:

The aforementioned description of the environmentally relevant activity (ERA) for which this development approval is issued is simply a restatement of the activity as prescribed in the legislation at the time of issuing the approval. Where there is any conflict between the above description of the ERA for which this development approval is issued and the conditions as specified in this development approval as to the scale, intensity or manner of carrying out of the ERA, then such conditions prevail to the extent of the inconsistency.

This development approval consists of the following schedules-

Schedule A – Activity

Schedule B - Air

Schedule C - Water

Schedule D – Noise and Vibration

Schedule E - Waste

Schedule F – Land

Schedule G - Community

Schedule H - Definitions

SCHEDULE A - ACTIVITY**Prevent and /or Minimise Likelihood of Environmental Harm**

- (A1-1) In carrying out the environmentally relevant activities, you must take all reasonable and practicable measures to prevent and / or to minimise the likelihood of environmental harm being caused. Any environmentally relevant activity, that, if carried out incompetently, or negligently, may cause environmental harm, in a manner that could have been prevented, shall be carried out in a proper manner in accordance with the conditions of this authority.

NOTE: This authority authorises the environmentally relevant activity. It does not authorise environmental harm unless a condition contained within this authority explicitly authorises that harm. Where there is no condition or the authority is silent on a matter, the lack of a condition or silence shall not be construed as authorising harm.

Maintenance of Measures, Plant and Equ

Conditions of the Development Approval

This development approval consists of the following schedules of conditions relevant to various issues:

The aforementioned description of the environmentally relevant activity (ERA) for which this development approval is issued is simply a restatement of the activity as prescribed in the legislation at the time of issuing the approval. Where there is any conflict between the above description of the ERA for which this development approval is issued and the conditions as specified in this development approval as to the scale, intensity or manner of carrying out of the ERA, then such conditions prevail to the extent of the inconsistency.

This development approval consists of the following schedules-

Schedule A – Activity

Schedule B - Air

Schedule C - Water

Schedule D – Noise and Vibration

Schedule E - Waste

Schedule F – Land

Schedule G - Community

Schedule H - Definitions

SCHEDULE A - ACTIVITY**Prevent and /or Minimise Likelihood of Environmental Harm**

- (A1-1) In carrying out the environmentally relevant activities, you must take all reasonable and practicable measures to prevent and / or to minimise the likelihood of environmental harm being caused. Any environmentally relevant activity, that, if carried out incompetently, or negligently, may cause environmental harm, in a manner that could have been prevented, shall be carried out in a proper manner in accordance with the conditions of this authority.

NOTE: This authority authorises the environmentally relevant activity. It does not authorise environmental harm unless a condition contained within this authority explicitly authorises that harm. Where there is no condition or the authority is silent on a matter, the lack of a condition or silence shall not be construed as authorising harm.

Maintenance of Measures, Plant and Equ

¹ Permit includes development approvals, approvals, permits, authorisations, certificates, sanctions or equivalent/similar as required by legislation administered by the Environmental Protection Agency and the Queensland Parks and Wildlife Service
Environmental Protection Agency

SCHEDULE B - AIR**Nuisance**

- (B1-2) The release of noxious or offensive odours or any other noxious or offensive airborne contaminants resulting from the activity must not cause a nuisance at any odour sensitive place.

Dust nuisance

- (B2-1) The release of dust and/or particulate matter resulting from the activity must not cause an environmental nuisance at any dust sensitive place.

End of Conditions for Schedule B

¹ Permit includes development approvals, approvals, permits, authorisations, certificates, sanctions or equivalent/similar as required by legislation administered by the Environmental Protection Agency and the Queensland Parks and Wildlife Service
Environmental Protection Agency

SCHEDULE B - AIR**Nuisance**

- (B1-2) The release of noxious or offensive odours or any other noxious or offensive airborne contaminants resulting from the activity must not cause a nuisance at any odour sensitive place.

Dust nuisance

- (B2-1) The release of dust and/or particulate matter resulting from the activity must not cause an environmental nuisance at any dust sensitive place.

End of Conditions for Schedule B

¹ Permit includes development approvals, approvals, permits, authorisations, certificates, sanctions or equivalent/similar as required by legislation administered by the Environmental Protection Agency and the Queensland Parks and Wildlife Service
Environmental Protection Agency

SCHEDULE C - WATER**Release to waters**

- (C3-1) Contaminants must not be released from the approved place to any waters or the bed and banks of any waters.

Stormwater management

- (C5-1) There must be no release of stormwater runoff that has been in contact with any contaminants at the site to any waters, roadside gutter or stormwater drain.

End of Conditions for Schedule C

SCHEDULE D - NOISE AND VIBRATION**Noise nuisance**

- (D1-1) Noise from activities must not cause an environmental nuisance at any noise sensitive place or any commercial place.
- (D1-2) All noise from activities must not exceed the levels specified in Schedule D - Table 1 at any noise sensitive place.

Schedule D - Table 1

Time period	Noise level at a 'Noise sensitive place' measured as the Adjusted Maximum Sound Pressure Level $L_{A, \max \text{ adj, T}}$
7am - 6pm	60 dB(A) or background noise level plus 5 dB(A), whichever is the greater
6pm - 10pm	55 dB(A) or background noise level plus 5 dB(A), whichever is the greater
10pm - 7am	50 dB(A) or background noise level plus 3 dB(A), whichever is the greater
Time period	Noise level at a 'Commercial place' measured as the Adjusted Maximum Sound Pressure Level $L_{A, \max \text{ adj, T}}$
7am - 6pm	60 dB(A) or background noise level plus 10 dB(A), whichever is the greater
6pm - 10pm	55 dB(A) or background noise level plus 10 dB(A), whichever is the greater
10pm - 7am	50 dB(A) or background noise level plus 8 dB(A), whichever is the greater

- (D1-3) Condition D1-2 applies if:
- there are complaints to the administering authority about the level of noise from any source in carrying out the environmentally relevant activities at authorised place; and
 - the complaints are not frivolous or vexatious or based on mistaken belief.

Noise monitoring

- (D2-1) When requested by the Administering Authority, noise monitoring must be undertaken to investigate any complaint of noise nuisance, and the results notified within fourteen (14) days to the administering authority. Monitoring must include:
- $L_{A, \max \text{ adj, T}}$
 - the level and frequency of occurrence of impulsive or tonal noise;
 - atmospheric conditions including wind speed and direction;
 - effects due to extraneous factors such as traffic noise; and
 - location, date and time of recording.
- (D2-2) The method of measurement and reporting of noise levels must comply with the latest edition of the Environmental Protection Agency's Noise Measurement Manual.

End of Conditions for Schedule D

SCHEDULE C - WATER**Release to waters**

- (C3-1) Contaminants must not be released from the approved place to any waters or the bed and banks of any waters.

Stormwater management

- (C5-1) There must be no release of stormwater runoff that has been in contact with any contaminants at the site to any waters, roadside gutter or stormwater drain.

End of Conditions for Schedule C

¹ Permit includes development approvals, approvals, permits, authorisations, certificates, sanctions or equivalent/similar as required by legislation administered by the Environmental Protection Agency and the Queensland Parks and Wildlife Service
Environmental Protection Agency

SCHEDULE D - NOISE AND VIBRATION**Noise nuisance**

- (D1-1) Noise from activities must not cause an environmental nuisance at any noise sensitive place or any commercial place.
- (D1-2) All noise from activities must not exceed the levels specified in Schedule D - Table 1 at any noise sensitive place.

Schedule D - Table 1

Time period	Noise level at a 'Noise sensitive place' measured as the Adjusted Maximum Sound Pressure Level $L_{A, \max, \text{adj}, T}$
7am - 6pm	60 dB(A) or background noise level plus 5 dB(A), whichever is the greater
6pm - 10pm	55 dB(A) or background noise level plus 5 dB(A), whichever is the greater
10pm - 7am	50 dB(A) or background noise level plus 3 dB(A), whichever is the greater
Time period	Noise level at a 'Commercial place' measured as the Adjusted Maximum Sound Pressure Level $L_{A, \max, \text{adj}, T}$
7am - 6pm	60 dB(A) or background noise level plus 10 dB(A), whichever is the greater
6pm - 10pm	55 dB(A) or background noise level plus 10 dB(A), whichever is the greater
10pm - 7am	50 dB(A) or background noise level plus 8 dB(A), whichever is the greater

- (D1-3) Condition D1-2 applies if:
- there are complaints to the administering authority about the level of noise from any source in carrying out the environmentally relevant activities at authorised place; and
 - the complaints are not frivolous or vexatious or based on mistaken belief.

Noise monitoring

- (D2-1) When requested by the Administering Authority, noise monitoring must be undertaken to investigate any complaint of noise nuisance, and the results notified within fourteen (14) days to the administering authority. Monitoring must include:
- $L_{A, \max, \text{adj}, T}$
 - the level and frequency of occurrence of impulsive or tonal noise;
 - atmospheric conditions including wind speed and direction;
 - effects due to extraneous factors such as traffic noise; and
 - location, date and time of recording.
- (D2-2) The method of measurement and reporting of noise levels must comply with the latest edition of the Environmental Protection Agency's Noise Measurement Manual.

End of Conditions for Schedule D

SCHEDULE E - WASTE**Waste Handling**

- (E3) Except as otherwise provided by the conditions of this development approval, disposal of any wastes generated in carrying out the environmentally relevant activity must be to a proper and appropriate facility that accepts that waste.
- (E5-1) All regulated waste removed from the approved place must be removed by a person who holds a current authority to transport such waste under the provisions of the *Environmental Protection Act 1994*.

End of Conditions for Schedule E

SCHEDULE F - LAND**Preventing Contaminant Release to Land**

- (F3-1) Contaminants must not be released to land.
- (F3-2) Spillage of all chemicals and fuels must be contained within an on-site containment system and controlled in a manner that prevents environmental harm.

NOTE: All petroleum product storage's must be designed, constructed and maintained in accordance with AS 1940 - Storage and Handling of Flammable and Combustible Liquids.

End of Conditions for Schedule F

SCHEDULE E - WASTE**Waste Handling**

- (E3) Except as otherwise provided by the conditions of this development approval, disposal of any wastes generated in carrying out the environmentally relevant activity must be to a proper and appropriate facility that accepts that waste.
- (E5-1) All regulated waste removed from the approved place must be removed by a person who holds a current authority to transport such waste under the provisions of the *Environmental Protection Act 1994*.

End of Conditions for Schedule E

¹ Permit includes development approvals, approvals, permits, authorisations, certificates, sanctions or equivalent/similar as required by legislation administered by the Environmental Protection Agency and the Queensland Parks and Wildlife Service

SCHEDULE F - LAND**Preventing Contaminant Release to Land**

- (F3-1) Contaminants must not be released to land.
- (F3-2) Spillage of all chemicals and fuels must be contained within an on-site containment system and controlled in a manner that prevents environmental harm.

NOTE: All petroleum product storage's must be designed, constructed and maintained in accordance with AS 1940 - Storage and Handling of Flammable and Combustible Liquids.

End of Conditions for Schedule F

¹ Permit includes development approvals, approvals, permits, authorisations, certificates, sanctions or equivalent/similar as required by legislation administered by the Environmental Protection Agency and the Queensland Parks and Wildlife Service
Environmental Protection Agency

SCHEDULE G - COMMUNITY**Complaint Response**

- (G1-1) All complaints received must be recorded including investigations undertaken, conclusions formed and action taken. This information must be made available to the administering authority on request.

End of Conditions for Schedule G

¹ Permit includes development approvals, approvals, permits, authorisations, certificates, sanctions or equivalent/similar as required by legislation administered by the Environmental Protection Agency and the Queensland Parks and Wildlife Service
Environmental Protection Agency

SCHEDULE H - DEFINITIONS

Words and phrases used throughout this development approval or development approval are defined below:

Where a definition for a term used in this authority is sought and the term is not defined within this authority the definitions provided in the *Environmental Protection Act 1994*, its regulations, and Environmental Protection Policies shall be used.

Word Definitions

"administering authority" means the Environmental Protection Agency or its successor.

"you" means the registered operator of this Development approval or owner / occupier of the land which is the subject of this Development Approval.

"site" means the place to which this development approval relates or the premises to which this development approval relates.

"authorised place" means the place authorised under this development approval/development approval for the carrying out of the specified environmentally relevant activities.

"this authority" means this development approval/development approval.

"authority" means level 1 development approval (without development approval), or level 1 approval (without development approval), or level 2 approval (without development approval) under the *Environmental Protection Act 1994*.

"approval" means 'notice of development application decision' or 'notice of concurrence agency response' under the *Integrated Planning Act 1997*

"dust sensitive place" means -

- a dwelling, mobile home or caravan park, residential marina or other residential place;
 - a motel, hotel or hostel;
 - a kindergarten, school, university or other educational institution;
 - a medical centre or hospital;
 - a protected area;
 - a park or gardens; or
 - a place used as an office or for business or commercial purposes.
- and includes the curtilage of any such place.

"odour sensitive place" has the same meaning as a "dust sensitive place"

"dwelling" means any of the following structures or vehicles that is principally used as a residence-

- a house, unit, motel, nursing home or other building or part of a building;
- a caravan, mobile home or other vehicle or structure on land;
- a water craft in a marina.

"noxious" means harmful or injurious to health or physical well being.

"offensive" means causing offence or displeasure; is disagreeable to the sense; disgusting, nauseous or repulsive.

"nuisance sensitive place" includes -

- a dwelling, residential allotment, mobile home or caravan park, residential marina or other residential premises; or
- a motel, hotel or hostel; or
- a kindergarten, school, university or other educational institution; or

¹ Permit includes development approvals, approvals, permits, authorisations, certificates, sanctions or equivalent/similar as required by legislation administered by the Environmental Protection Agency and the Queensland Parks and Wildlife Service
Environmental Protection Agency

SCHEDULE G - COMMUNITY**Complaint Response**

- (G1-1) All complaints received must be recorded including investigations undertaken, conclusions formed and action taken. This information must be made available to the administering authority on request.

End of Conditions for Schedule G

¹ Permit includes development approvals, approvals, permits, authorisations, certificates, sanctions or equivalent/similar as required by legislation administered by the Environmental Protection Agency and the Queensland Parks and Wildlife Service
Environmental Protection Agency

SCHEDULE H - DEFINITIONS

Words and phrases used throughout this development approval or development approval are defined below:

Where a definition for a term used in this authority is sought and the term is not defined within this authority the definitions provided in the *Environmental Protection Act 1994*, its regulations, and Environmental Protection Policies shall be used.

Word Definitions

"administering authority" means the Environmental Protection Agency or its successor.

"you" means the registered operator of this Development approval or owner / occupier of the land which is the subject of this Development Approval.

"site" means the place to which this development approval relates or the premises to which this development approval relates.

"authorised place" means the place authorised under this development approval/development approval for the carrying out of the specified environmentally relevant activities.

"this authority" means this development approval/development approval.

"authority" means level 1 development approval (without development approval), or level 1 approval (without development approval), or level 2 approval (without development approval) under the *Environmental Protection Act 1994*.

"approval" means 'notice of development application decision' or 'notice of concurrence agency response' under the *Integrated Planning Act 1997*.

"dust sensitive place" means -

- a dwelling, mobile home or caravan park, residential marina or other residential place;
 - a motel, hotel or hostel;
 - a kindergarten, school, university or other educational institution;
 - a medical centre or hospital;
 - a protected area;
 - a park or gardens; or
 - a place used as an office or for business or commercial purposes.
- and includes the curtilage of any such place.

"odour sensitive place" has the same meaning as a "dust sensitive place"

"dwelling" means any of the following structures or vehicles that is principally used as a residence-

- a house, unit, motel, nursing home or other building or part of a building;
- a caravan, mobile home or other vehicle or structure on land;
- a water craft in a marina.

"noxious" means harmful or injurious to health or physical well being.

"offensive" means causing offence or displeasure; is disagreeable to the sense; disgusting, nauseous or repulsive.

"nuisance sensitive place" includes -

- a dwelling, residential allotment, mobile home or caravan park, residential marina or other residential premises; or
- a motel, hotel or hostel; or
- a kindergarten, school, university or other educational institution; or

¹ Permit includes development approvals, approvals, permits, authorisations, certificates, sanctions or equivalent/similar as required by legislation administered by the Environmental Protection Agency and the Queensland Parks and Wildlife Service
Environmental Protection Agency

- a medical centre or hospital; or
 - a protected area under the *Nature Conservation Act 1992*, the *Marine Parks Act 1992* or a World Heritage Area; or
 - a public thoroughfare, park or gardens; or
 - a place used as a workplace, an office or for business or commercial purposes.
- and includes a place within the curtilage of such a place reasonably used by persons at that place.

"**L_A 10, adj, 10 mins**" means the A-weighted sound pressure level, (adjusted for tonal character and impulsiveness of the sound) exceeded for ten percent (10%) of any 10 minute measurement period, using Fast response.

"**L_A 1, adj, 10 mins**" means the A-weighted sound pressure level, (adjusted for tonal character and impulsiveness of the sound) exceeded for one percent (1%) of any 10 minute measurement period, using Fast response

"**L_A, max adj, T**" means the average maximum A-weighted sound pressure level, adjusted for noise character and measured over any 10 minute period, using Fast response.

"**noise affected premises**" means a "noise sensitive place" or a "commercial place"

"**noise sensitive place**" means -

- a dwelling, mobile home or caravan park, residential marina or other residential premises; or
- a motel, hotel or hostel; or
- a kindergarten, school, university or other educational institution; or
- a medical centre or hospital; or
- a protected area; or
- a park or gardens.

and includes the curtilage of such place.

"**commercial place**" means a place used as an office or for business or commercial purposes.

"**intrusive noise**" means noise that, because of its frequency, duration, level, tonal characteristics, impulsiveness or vibration -

- is clearly audible to, or can be felt by, an individual; and
- annoys the individual.

In determining whether a noise annoys an individual and is unreasonably intrusive, regard must be given to *Australian Standard 1055.2 - 1997 Acoustics - Description and Measurement of Environmental Noise Part 2 - Application to Specific Situations*.

"**protected area**" means -

- a protected area under the *Nature Conservation Act 1992*; or
- a marine park under the *Marine Parks Act 1992*; or
- a World Heritage Area.

"**waters**" includes river, stream, lake, lagoon, pond, swamp, wetland, unconfined surface water, unconfined water natural or artificial watercourse, bed and bank of any waters, dams, non-tidal or tidal waters (including the sea), stormwater channel, stormwater drain, roadside gutter, stormwater run-off, and any under groundwater, any part thereof.

"**land**" in the "land schedule" of this document means land excluding waters and the atmosphere.

"**regulated waste**" means non-domestic waste mentioned in Schedule 7 of the *Environmental Protection Regulation 1998* (whether or not it has been treated or immobilised), and includes:

- for an element - any chemical compound containing the element; and
- anything that has contained the waste.

End of Conditions for Schedule H

¹ Permit includes development approvals, approvals, permits, authorisations, certificates, sanctions or equivalent/similar as required by legislation administered by the Environmental Protection Agency and the Queensland Parks and Wildlife Service
Environmental Protection Agency

END OF CONDITIONS

Notice

Environmental Protection Act 1994

Decision on proposal to suspend an environmental authority

This notice is issued by the administering authority¹ pursuant to sections 282 and 283 of the Environmental Protection Act 1994 to advise you of the decision made following the proposal to cancel or suspend an environmental authority.

To: Wild Game Resources Pty Ltd
55 Curtin Avenue
HAMILTON QLD 4007

Email: wgr.qld@uqconnect.net

Your reference: EPPR00329713 (formerly ENRE00758708)
Our reference: 241333

Decision made on the notice proposal to suspend an environmental authority

1. **Environmental authority details**

Environmental authority number EPPR00329713 (formerly ENRE00758708).

2. **Representations**

No written representation has been received.

3. **Decision**

The administering authority has decided to suspend your environmental authority.

The environmental authority is suspended from 08 August 2013 until the outstanding debt has been received.

This decision takes effect on 08 August 2013.

4. **Grounds for the decision**

The suspension of the environmental authority is required because:

- The holder has been given an annual notice and the notice has not been complied with.

5. **Review and appeal rights**

You may apply to the administering authority for a review of this decision within 10 business days after receiving this notice. You may also appeal against this decision to the Planning and Environment Court. Information about your review and appeal rights is attached to this notice. This information is guidance only and you may have other legal rights and obligations.

¹ The Department of Environment and Heritage Protection is the administering authority under the *Environmental Protection Act 1994*.

Information sheet: Internal Review and Appeal to Planning and Environment Court (EM1866)

Department of
**Environment and
Heritage Protection**

19 September 2013

Wild Game Resources Pty Ltd
55 Curtain Avenue
HAMILTON QLD 4007

By Registered Post

Dear Sir or Madam

I refer to the outstanding tax invoices issued by the Department of Environment and Resource Management relating to environmental authority EPPR00329713 (formerly ENRE00758708). The Department of Environment and Heritage Protection (the "Department") is the successor of the Department of Environment and Resource Management for payment of these outstanding invoices.

I confirm that the invoices itemised in the **attached** spreadsheet are outstanding and enclose copies of the above invoices.

The Department of Environment and Heritage Protection demands payment of **\$3,643.20** by close of business on 17 October 2013. You may make payment in the manner directed on this letter.

Alternatively, and without prejudice to the Department's right to full recovery of the debt, you may enter into a repayment agreement with the Department by close of business on 17 October 2013.

Please contact the Debt Management Unit of the Department on 1300 130 372 (option 4) to arrange a repayment arrangement

If this matter is not resolved by close of business on 17 October 2013, the department may commence legal proceedings to recover the debt plus legal costs without further notice to you. This letter may be used as evidence in any such legal proceedings.

Payment by cheque or money order should be made out to "Department of Environment and Heritage Protection" and sent to:

Department of Environment and Heritage Protection
Permit and Licence Management
Attention: Debt Management Team
PO Box 2454
BRISBANE QLD 4001

Alternatively, you may pay by telephone or internet banking using payment details on invoices attached.

Should you have any further enquiries, please contact the Debt Management Team of the department on telephone 1300 130 372 option 4.

Yours sincerely

Form 535

Corporations Act 2001
Subregulation 5.6.49(2)

FORMAL PROOF OF DEBT OR CLAIM (GENERAL FORM)

To the Deed Administrator of Wild Game Resources Pty Ltd (Subject to Deed of Company Arrangement)

1. This is to state that the company was on 21 May 2014 and still is, justly and truly indebted to the State of Queensland as represented by the Department of Environment and Heritage Protection A.B.N 46 640 294 485, situated at Level 9, 400 George Street, Brisbane 4000, in the State of Queensland.

for the amount of \$3,643.20
including GST of \$0.00 .

Particulars of the debt are:

Date	Consideration (how the debt arose)	Amount (incl. GST)	Remarks (including details of voucher/ receipt substantiating payment)
17/04/13	Annual Fee	\$3,532.80	Invoice Number
31/05/13	Late Fee	\$110.40	Invoice Number

2. To my knowledge or belief the creditor has not, nor has any person by the creditor's order, had or received any satisfaction or security for the sum or any part of it except for the following:

(insert particulars of all securities held. If the securities are on the property of the company, estimate the value of those securities. If any bills or other negotiable securities are held, show them in the schedule below).

Date	Drawer	Acceptor	Amount	Due Date

3. I am employed by the creditor and authorised in writing by the creditor to make this statement. I know that the debt was incurred for the consideration stated and that the debt, to the best of my knowledge and belief, still remains unpaid and unsatisfied.

DATED this day, the 21st Day of May 2014
