Environmental Authority No. M1466 **(mining activities)**

Section 244 Environmental Protection Act 1994

TSV 634
 TSV 200 1/11087

This environmental authority is granted under the Environmental Protection Act 1994 and includes conditions to minimise environmental harm caused, or likely to be caused, by the authorised mining activities. An environmental authority (mining activities) may be for mining activities authorised (under the Mineral Resources Act 1989) to occur under one of the following mining tenements: a prospecting permit; mining claim; exploration permit; mineral development licence; or mining lease. In general, a mining activity means: prospecting, exploring, mining; or processing minerals; remediation; rehabilitation; and includes facilitation and supporting activities and any action taken to prevent environmental harm.

PR 172075

Under the provisions of the
Environmental Protection Act 1994 this environmental authority is issued to:

THALANGA COPPER MINES PTY LTD
 4 Moores Street
 CHARTERS TOWERS QLD 4820

Karen Dennis

Signed

03 December 2001

Date

Karen Dennis
Manager Customer Service Unit (Mining)
 Delegate of Administering Authority
 Environmental Protection Act 1994

Note: This environmental authority document is not proof of the current status of the environmental authority. The current status of the environmental authority may be ascertained by contacting the Environmental Protection Agency.

Schedule of conditions

Schedule A - General conditions

- (A1) The conditions of this environmental authority are in force until a surrender of the authority is accepted pursuant to the *Environmental Protection Act 1994*. The conditions apply unless an amendment is approved pursuant to the *Environmental Protection Act 1994*.
- (A2) The environmental authority holder is to give the administering authority a financial assurance in the amount and form and at a time required by the administering authority.
- (A3) The environmental authority holder must comply with each of the Standard Environmental Conditions contained in the *Code of Environmental Compliance for Mining Lease Projects* dated January 2001.

Schedule B - Additional conditions

- (B1) The holder of this environmental authority is authorised to carry out standard mining activities on the relevant mining lease despite it being located within Restricted Area 206 provided that the activities do not cause any significant environmental harm to the Area¹.

¹Restricted Area 206 (Burdekin Falls Dam Catchment Area) is a Category A Environmentally Sensitive Area.
