Dear Mr Elliot

Re: Amended Partial surrender of environmental authority MIC200607107.

DERM has amended the application received on 25-aug-2010 to surrender part of environmental authority MIC200607107 and wishes to advise you of the changes.

The following part of environmental authority MIC200607107 applies to this decision:
Full removal of mining tenement ML2110.

The remaining mining tenements held under Environmental Authority MIC200607107 include ML2109.

The amount of financial assurance approved for discharge is \$0.00. The total amount of financial assurance to be held for environmental authority MIC200607107 is \$4000.00.

This Notice of Decision and the attached amended environmental authority constitute the permit documentation. For code compliant level 2 projects no environmental authority is attached because the standard environmental conditions in the relevant Code of Environmental Compliance are the conditions of the environmental authority.

If you require more information please contact Karen Francis the Project Manager, on 1300 130 372.

Yours sincerely
