Dear Sir/Madam

Re: Transfer of Environmental Authority (mining activities) No. MIC203003411
The department has assessed the application to transfer Environmental Authority (mining activities) No. MIC203003411 from Neil Francis Stuart & Dawson river Quarries Pty Ltd to CQ Dolomite Pty Ltd & Macegate Pty Ltd and advises that the application has been granted.

The relevant mining tenements approved for transfer are ML4776, ML4783. Please discharge the financial assurance held for environmental authority MIC203003411 to the transferors when lodgement of the financial assurance, to the amount of $3,220.00, has been received from the transferees.

This Notice of Decision constitutes the permit documentation.

Please note that the transferees must, within 10 business days of receiving notification of the transfer, give each owner of the land to which the Environmental Authority relates written notice that the authority has been transferred to the transferee.

If the Environmental Authority holder becomes aware of any inconsistency between the amended Environmental Authority and the plan of operations, the plan must be amended within 28 days, in a way so that it is no longer inconsistent with the authority.

The Anniversary Date for this Environmental Authority is 8 March.
