Attention: Kerry Lee Wells,

Re: Decision made in relation to your amendment application for EPM15213 & EPM 15214 under legislation administered by the Environmental Protection Agency (EPA).

The EPA has assessed the application received on 28 November 2005 and has transferred the Environmental Authority MIC200367505 to MIC200367605. The EPA wishes to advise that your environmental authority is now issued for the following tenures:

Permit	Permit Number	Current Mining Tenures	Decision
Level 2 Code Compliant Environmental Authority (Mining Lease)	MIC200367605	EPM15213 EPM15214	Granted
Level 2 Code Compliant Environmental Authority (Mining Lease)	MIC200367505	EPM15214	Superseded

Where the application has been granted, this Notice of Decision and the Code of Environmental Compliance for Mining Lease Projects constitutes the new permit documentation. Please retain this approval documentation for

Notice of <type eg - decision - permit application>

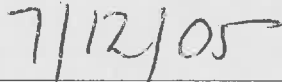

your records.

Where the application has been refused a Statement of Reasons is attached.

Included with this Notice is advice on review and appeal processes available to you. Should you wish to seek a review or appeal, the EPA advises that you seek independent advice before taking such action.

Following the transfer of EPM15214 to Environmental Authority MIC200367605, a new plan of operations is required if the programmed project mining activities change. A new plan must be submitted before any mining changes commence.

If you require more information, please contact Frank Enzmann the Project Manager, on the telephone number listed below.
