Dear Ms O'Brien

Re: Non Code Compliant Level 1 Environmental Authority (Mining Activities) MIM500403106 (EPC781), held by principal holder West Rolleston Coal Pty Ltd

You are hereby advised that the above mentioned Environmental Authority (Mining Activities) is to be amended in the following manner:

- Conversion of Principal Holder from West Rolleston Coal Pty Ltd to Peabody West Rolleston Pty Ltd due to the recent corporate name change of the Principal Holder.

Please note that the Environmental Authority conditions will not change with this conversion.

If you consider that the above amendment may adversely affect the interests of the holders, you are advised to contact Lauren Payne, Graduate Environmental Officer of the department on 074999 6888 within 10 business days of receipt of this notice.

General Conditions

- G1 The conditions of this environmental authority are in force until surrender of the authority is accepted pursuant to the Environmental Protection Act 1994. The conditions apply unless an amendment is approved pursuant to the Environmental Protection Act 1994.
- G2 The environmental authority holder is to give the administering authority a financial assurance in the amount and form and at a time required by the administering authority.
- G3 The environmental authority holder must comply with each of the Standard Environmental Conditions contained in the *Code of Environmental Compliance for Exploration and Mineral Development Projects*¹.

¹ Important note to condition G3

Standard Environmental Condition 13 of the Code states:

The holder of the environmental authority must not carry out activities in a category A or B Environmentally Sensitive Area. Activities involving machinery must not be carried out within 1km of a category A environmentally sensitive area or within 500m of a category B environmentally sensitive area. Prior to carrying out activities in a category C environmentally sensitive area, consult with the relevant administering authority the Environmental Protection Agency. If it is determined through the consultation that additional conditions are necessary, the holder must comply with those conditions.

Environmentally sensitive areas identified in relation to EPC781 are listed below. The officer listed on the right hand column can be contacted for further identification and information on these areas.
