Dear Sir or Madam

Re: Transfer of environmental authority (mining activities) No. MIC200443406

The administering authority has assessed the application received on 09-SEP-2010 to transfer environmental authority (mining activities) No. MIC200443406 from Terence John Burt to Mentach Resources Pty Ltd and wishes to advise you that the application has been granted.

The relevant mining tenement approved for transfer is EPC1065. The financial assurance to the amount of $2500.00 submitted by Terence John Burt will remain held as the financial assurance for environmental authority MIC200443406.

This Notice of Decision and the attached amended environmental authority constitute the permit documentation. For code compliant level 2 projects no environmental authority is attached because the standard environmental conditions in the relevant Code of Environmental Compliance are the conditions of the environmental authority.

Please note that the transferee(s) must, within 10 business days, give each owner of the land to which the environmental authority relates written notice that the authority has been transferred to the transferee. If the environmental authority holder becomes aware of any inconsistency between the amended environmental authority and the plan of operations, the plan must be amended within 28 days, in a way so that it is no longer inconsistent with the authority.

If you require more information please contact Karen Francis, the Project Manager, on 1300 130 372.
Yours sincerely

Tony Schmid
