Environmental Authority (Mining Lease) Non-Code Compliant Level 2 Mining
Project
Permit¹ Number: MIN200681008

CONDITIONS OF ENVIRONMENTAL AUTHORITY

General Permit Condition

Agency Interest: General

- PG1 The conditions of this environmental authority are in force until a surrender of the authority is accepted pursuant to the *Environmental Protection Act 1994*. The conditions apply unless an amendment is approved pursuant to the *Environmental Protection Act 1994*.
- PG2 The environmental authority holder is to give the administering authority a financial assurance in the amount and form and at a time required by the administering authority.
- PG3 The environmental authority holder must comply with each of the Standard Environmental Conditions contained in the *Code of Environmental Compliance for Mining Lease Projects* and the *Code of Environmental Compliance for Mining Claims and Prospecting Permits* dated January 2001.

Important Note

This mining project encompasses the *Historical** Ewan Tin Mining Area. The environmental authority holder is to ensure that care is taken to minimise disturbance to *Historical** infrastructure located on ML4487, ML4488 and ML4497.

Notice

Environmental Protection Act 1994 Section 266

Notice of transfer of an environmental authority (mining activities)

This notice is issued under Section 266(2) of the Environmental Protection Act 1994. When an environmental authority (mining activities) is transferred, the Environmental Protection Act 1994 requires that the transferee must, within 10 business days, give each owner of the land to which the environmental authority relates written notice of the transfer. Please note that failure to do so may incur a penalty. This notice should be used for notifying the relevant landowners.
