DRAFT CONDITIONS OF ENVIRONMENTAL AUTHORITY

General Permit Condition

Department Interest: General

- A1** The conditions of this environmental authority are in force until a surrender of the authority is accepted pursuant to the *Environmental Protection Act 1994*. The conditions apply unless an amendment is approved pursuant to the *Environmental Protection Act 1994*.
- A2** The environmental authority holder must comply with each of the Standard Environmental Conditions contained in the *Code of Environmental Compliance for Mining Lease Projects*, except Condition 14, which is replaced by the conditions in this environmental authority.
- A3** If there is any inconsistency between a standard environmental condition referred to in condition A2 and an additional condition in this environmental authority, the additional condition prevails to the extent of any inconsistency.

Department Interest: Land

- B1** The environmental authority holder is not authorised to carry out mining activities on ML80166, which is within 1000m of a Category B Environmentally Sensitive Area.
- B2** In carrying out mining activities on ML80166 all reasonable and practicable measures must be taken to prevent or minimise the likelihood of environmental harm.

Tenure

- B3** The environmental authority does not take effect until the grant of the tenure to the environmental authority holder, or until each environmental authority holder has become a holder, under the *Mineral Resources Act 1989*, of each of relevant mining tenements.
