CONDITIONS OF ENVIRONMENTAL AUTHORITY

General Permit Conditions

Agency Interest: General

- PG1 The conditions of this environmental authority are in force until a surrender of the authority is accepted pursuant to the Environmental Protection Act 1994. The conditions apply unless an amendment is approved pursuant to the Environmental Protection Act 1994.
- PG2 Financial assurance
- The environmental authority holder is to give the administering authority a financial assurance in the amount and form and at a time required by the administering authority.
- PG3 The environmental authority holder must comply with each of the Standard Environmental Conditions contained in the Code of Environmental Compliance for Exploration and Mineral Development Projects and the Code of Environmental Compliance for Mining Lease Projects.

Agency Interest: Impacts On Surrounds

- PI1 The holder of this environmental authority is authorised to carry out standard mining activities under the relevant exploration permit within 500 metres of, but not in, a Category B Environmentally Sensitive Area provided that the activities do not cause any significant environmental harm to the area.
- PI2 The holder of this environmental authority is authorised to carry out standard mining activities under the relevant mining lease within 1 kilometre of, but not in, a Category B Environmentally Sensitive Area provided that the activities do not cause any significant environmental harm to the area.
- PI3 Important Note:
Areas of endangered regional ecosystem have been identified along and across the southern boundary of EPM 8917. Contact EPA District Manager - Cairns (4046 6730) for further identification and information on these areas.
