Conditions

The environmental authority is subject to the following conditions of approval.

- (A1-1) Activities must be undertaken in accordance with all Standard Environmental Conditions contained in the *Code of Environmental Compliance for Exploration and Mineral Development Projects*, except for Standard Environmental Condition 14.
- (A1-2) Condition (A1-3) is a condition that overrides the *Code of Environmental Compliance for Mining Lease Projects* condition 14 and prevails to the extent of any inconsistency.
- (A1-3) The holder of the environmental authority must not carry out activities:
1. in, or within 2km of, a category A environmentally sensitive area; or
 2. in, or within 100m of, a category B environmentally sensitive area in relation to ML50026; or
 3. in, or within 600m of, a category B environmentally sensitive area in relation to ML1195.

Prior to carrying out activities in a Category C environmentally sensitive area, the holder of the environmental authority must consult with the relevant administering authority and the Department of Environment and Resource Management or its successor. If it is determined through the consultation that additional conditions are necessary, the holder must comply with those conditions.

END OF CONDITIONS

Definitions:

Words and phrases used throughout this environmental authority (EA) are defined in the Definitions section of the *Code of Environmental Compliance for Mining Lease Projects*.

Where a definition for a term used in this EA is sought and the term is not defined, the definitions in the *Environmental Protection Act 1994*, its Regulations and Environmental Protection Policies, must be used.
