Schedule of Conditions

Schedule A - General Conditions

- (A1) The conditions of this environmental authority are in force until a surrender of the authority is accepted pursuant to the *Environmental Protection Act 1994*. The conditions apply unless an amendment is approved pursuant to the *Environmental Protection Act 1994*.
- (A2) The environmental authority holder is to give the administering authority a financial assurance in the amount and form and at a time required by the administering authority.
- (A3) The environmental authority holder must comply with each of the Standard Environmental Conditions contained in the *Code of Environmental Compliance for Mining Lease Projects* dated January 2001.

Schedule B – Additional Conditions

Standard Environmental Condition 14 of the Code states:

The holder of the environmental authority must not carry out activities:

1. in, or within 2km of, a category A Environmentally Sensitive Area.
2. in, or within 1km of, a category B Environmentally Sensitive Area.

Prior to carrying out activities in a category C environmentally sensitive area, the holder of the environmental authority must consult with the relevant administering authority. If it is determined through the consultation that additional conditions are necessary, the holder must comply with those conditions.

- (B1) The environmental authority holder must not carry out activities in areas of an endangered regional ecosystem however the holder is authorised to carry out activities within 1km of the endangered regional ecosystems and the cultural heritage area provided that the activities do not cause any significant environmental harm to the Area.¹

Condition B1 is an additional condition that overrides Standard Environmental Condition (SEC) 14 to the extent that SEC 14 prohibits the holder of the environmental authority carrying out activities within 1km of an endangered regional ecosystem and a cultural heritage area (Category B) environmentally sensitive area.
