Dear Sir/Madam

Re: Transfer of environmental authority MIC200695008

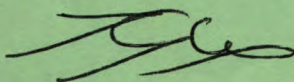

The EPA has assessed the application received on 10-JAN-2008 to transfer environmental authority MIC200695008 from Newcrest Operations Limited to Mt Coolon Gold Mines Pty Ltd and wishes to advise you that the application has been granted.

Please note that new permit profiles have been implemented and as a result the reference number of the environmental authority has changed from M4686 to MIC200695008.

The relevant mining tenement approved for transfer is MIC200695008. Please discharge the financial assurance held for environmental authority M4686 to the transferor when lodgement of the financial assurance, to the amount of \$12 000 has been received from the transferee.

This Notice of Decision and the amended environmental authority (if attached) constitute the permit documentation. For code compliant level 2 projects, the standard environmental conditions in the relevant Code of Environmental Compliance are the conditions of the environmental authority. Please note that the transferee must, within 10 business days, give each owner of the land to which the environmental authority relates written notice that the authority has been transferred to the transferee.

If you require more information please contact Patricia Elder, the Project Manager, on 47225353.
