Permit[1] Number: MIN200831208

CONDITIONS OF ENVIRONMENTAL AUTHORITY

General Conditions – Schedule A

G1 The conditions of this environmental authority are in force until surrender of the authority is accepted pursuant to the *Environmental Protection Act 1994*. The conditions apply unless an amendment is approved pursuant to the *Environmental Protection Act 1994*.

G2 The environmental authority holder is to give the administering authority a financial assurance in the amount and form and at a time required by the administering authority.

G3 The environmental authority holder must comply with each of the Standard Environmental Conditions contained in the *Code of Environmental Compliance for Exploration and Mineral Development Projects, dated January 2001.*

Additional Conditions – Schedule B

B1 The environmental authority holder is authorised, subject to conditions B2 to B3, to carry out standard mining activities on the relevant tenement in, or within 500m of any Endangered Regional Ecosystem.

B2 Where carry out activities in endangered regional ecosystems as permitted by B1 the environment authority holder must do so in accordance with undertakings in *Supporting Information to application for Standard Environmental Authority – Request to carry out activities in endangered regional ecosystems signed by the holder on 4 December 2001.*

B3 In regard to complying with Standard Environmental Condition 42, the environmental holder must spread seed or plant species that will promote vegetation of a similar species and density of cover to that of the pre disturbed areas, within the area identified as endangered regional ecosystem.

Category	Land Area Classification	General Location	Who to contact
