Dear Sir/Madam

Take notice: that on Thursday, 3 February 2022 under the *Environmental Protection Act 1994* (the Act) the administering authority issued an environmental protection order (EPO) to Bogside Mining Industries Pty Ltd (ACN 114 041 879) (you). The administering authority is the Chief Executive of the Department of Environment and Science (the department).

The EPO was issued in respect to the activities on land described as Mining Lease ML50115, which includes Lot 4 on RP22539, located in New Chum, Queensland (the premises).

A. Requirements

The requirements of this EPO were:

1. You must immediately cease and not release contaminants from Mining Lease ML50115 to any waters at any time.
2. Requirement 1 remains in force unless or until you hold, or are operating under, an environmental authority that authorises you to release contaminants to waters.

B. Compliance with the requirements

In determining compliance with these requirements of the EPO, the department has considered:

- Records of site inspections conducted by authorised officers periodically at the premises since the issuing of the EPO. This has demonstrated you have not used pumping infrastructure to discharge
