Dear Directors

Take notice: that on Tuesday, 25 June 2024 under the *Environmental Protection Act 1994* (the Act) the administering authority issued an environmental enforcement order (EEO) to Senex Compression Facility Pty Ltd (ABN 654 787 747) (you). The administering authority is the Chief Executive of the Department of the Environment, Tourism, Science and Innovation (the department).

The EEO was issued in respect to your activities on land described as Petroleum Facility License (PFL) 31 located on Lot 49 on Plan SP237297 situated at 5406 JACKSON WANDOAN RD, WOLEEBEE QLD 4419 (the premises).

A. Requirements

The requirements of the EEO were:

1. You must submit all reports and documents required by this notice to the department via email to southwest.es@des.qld.gov.au.
2. By **5pm on 2 July 2024** you must cease all activities in **unauthorised disturbance areas** other than activities required to rehabilitate these areas and provide written confirmation of this to the department.

3. By **5pm on 9 July 2024** you must engage an **Appropriately Qualified Person (AQP)** to fulfill the requirements of this notice and provide confirmation of the engagement to the department, including evidence of relevant qualifications and experience of the **AQP**.
4. By **5pm on 23 July 2024** you must have installed interim erosion and sediment control measures to prevent the release of sediment from the **unauthorised disturbance areas** and provide written evidence of this to the department.
5. By **5pm on 30 October 2024** you must rehabilitate all **unauthorised disturbance areas** to achieve the following:
 - a. a safe, stable, non-polluting landform similar to the pre-disturbed land use; and
 - b. re-establishment of surface water drainage lines; and
 - c. reinstatement of topsoil; and
 - d. establish adequate groundcover or soil stabilisation to prevent erosion.
6. From **5pm on 30 October 2024** you must monitor and maintain the **unauthorised disturbance areas** to achieve the following rehabilitation objectives:
 - a. A safe, stable, non-polluting landform similar to the pre-disturbed land use; and
 - b. Greater than or equal to the total percentage of groundcover of pre-disturbed land use; and
 - c. Establishment of vegetation species agreed with the landholder, or equivalent to pre-disturbed land use.
7. By **5pm on 20 June 2025** you must submit a report completed by an **AQP** to the department that assesses the status of the **unauthorised disturbance areas** against the rehabilitation objectives.

B. Compliance with the requirements

In determining compliance with these requirements of the EEO, the department has considered:

- Emails and documents sent to the department via Southwest.ES@detsi.qld.gov.au in relation to the EEO and its requirements.
- Specifically:
 - Email dated 2 July 2024 which provided written confirmation in response to requirement 2.
 - Email dated 9 July 2024 which provided a document (AQP details) and confirmation in response to requirement 3.
 - Email dated 23 July 2024 which provided an ESC Inspection Report (BTWB00476_0011-REP-001-A) in response to requirement 4.
 - Email dated 23 June 2025 which provided a Rehabilitation Report (BTWB00476_0011-RPT-001-0) assessing the status of the unauthorised disturbance areas against the rehabilitation objectives (requirement 5 and 6) in response to requirement 7.

C. Obligations

The department has determined that you have largely satisfied the requirements of the EEO. Accordingly, this letter serves as a notice that this EEO is finalised.

The department notes that section 4.2 of the rehabilitation report sets out ongoing monitoring strategies and recommendations, including strategies to improve the rehabilitation outcomes for Area C. It is of critical importance that the monitoring of rehabilitated areas continues and targeted improvement strategies are
