100 Melbourne St
South Brisbane QLD 4101

Your reference: Voluntary Transitional Environmental Program for Coppabella Mine – Water Management

Our reference: CA30615

12 May 2014

Certificate of approval number: MAN17780

Dear Sir / Madam

Take notice: that under the provisions of the *Environmental Protection Act 1994* (the Act) this certificate of approval for a transitional environmental program (TEP) is served on you by the administering authority. The administering authority is the Chief Executive of the Department of Environment and Heritage Protection (the department).

The TEP remains in force until **12 May 2017**.

An annual return and the payment of the assessment fee is due within 22 business days after the anniversary day, each year.

The anniversary day is 12 May 2014.

A. Certificate of approval issued to:

Name	Registered address
Peabody Coppabella Pty Ltd	Level 5, 100 Melbourne St South Brisbane QLD 4101

Certificate of approval – transitional environmental program

B. Transitional environmental program details

Location(s)
Mining Leases 70161, 70163, 70164, 70236, and 70237

The approved TEP consists of the following:

- the submitted application documents including any amendments made at the request of, or with the agreement of, the department;
- a copy of this certificate of approval.

C. Conditions

Nil.

D. Additional information

Contaminated land

It is a requirement of the Act that if an owner or occupier of land becomes aware a notifiable activity (as defined in schedule 3 and schedule 4 of the Act) is being carried out on the land, or that the land has been, or is being, contaminated by a hazardous contaminant, the owner or occupier must, within 22 business days after becoming so aware, give written notice to the department in the approved form.

Obligations under the Act

In addition to the requirements found in the conditions of this certificate of approval, the holder must also meet their obligations under the Act, and the regulations made under the Act. For example:

- the holder must comply with the following provisions of the Act:
 - general environmental duty (section 319); and
 - duty to notify environmental harm (sections 320 - 320G);
- the holder must also ensure that they do not commit offences of:
 - causing serious or material environmental harm (sections 437 - 439);
 - causing environmental nuisance (section 440);
 - depositing prescribed water contaminants in waters and related matters (section 440ZG); and
 - placing contaminant where environmental harm or nuisance may be caused (section 443).

Should you have any queries in relation to the notice, please contact Callum Gawne on telephone number 07 4837 3334.
