Dear Sir/Madam

Take notice: that on Tuesday, 19 December 2017 under the *Environmental Protection Act 1994* (the Act) the administering authority issued an environmental protection order (EPO) to Scotbar Pty Ltd (ACN 132 336 862) (you). The administering authority is the Chief Executive of the Department of Environment and Science (the department).

The EPO was issued in respect to the activities on land described as Lot 154 on CA311380, Lot 141 on CA311273 and Lot 95 on CSH352 situated at 613 Seventeen Mile Road, Helidon, QLD 4344 (the premises).

A. Requirements

The requirements of this EPO were:

1. By 19 March 2018, Scotbar Pty Ltd must submit to the administering authority, a complete and final plan developed by a suitably qualified person showing-
    - all areas of significantly disturbed land over Lot 154 CA311380, Lot 141 CA311273 and Lot 95 CSH352 arising from mining or extractive activities (or activities ancillary to such activities);
    - an area of existing significantly disturbed land, not exceeding 20 Ha, to be reserved for mining or extractive purposes;

Queensland Government

- rehabilitation plans and objectives (Rehabilitation Plan) for the remaining significantly disturbed land within Lot 154 CA311380, Lot 141 CA311273 and Lot 95 CSH352 specifying performance criteria for implementation of the Rehabilitation Plan including performance and reporting intervals at a frequency not exceeding 6 monthly, and achieving completion by 19 December 2020.

Note: **Suitably qualified person** means a person who has demonstrable professional qualifications, training, skills and/or experience relevant to the nominated subject matter and can give authoritative assessment, advice and analysis on performance relating to the subject matter using the relevant protocols, standards, methods or literature.

2. By 6 February 2018, Scotbar Pty Ltd must close to extractive or mining activities all areas identified for rehabilitation under the Rehabilitation Plan, except to the extent that access to, or works within, the area is necessary to give effect to the Rehabilitation Plan submitted to the administering authority under Requirement 1.
3. Scotbar Pty Ltd must implement the Rehabilitation Plan submitted under requirement 1.
4. By 19 March 2018, Scotbar Pty Ltd must stabilise slopes to the southern end of ML50218, as identified in Attachment 1, and install effective erosion and sediment control structures to prevent release of sediment to waters.
5. Scotbar Pty Ltd must submit progress reports to the administering authority in accordance with the Rehabilitation Plan at the intervals specified in that plan.
6. Scotbar Pty Ltd must, within 5 business days of any of the following events, notify the administering authority, in writing, of each such event-
    - rehabilitation is not completed in accordance the Rehabilitation Plan submitted under Requirement 1;
    - stabilisation works and installation of erosions and sediment control measures under Requirement 4 is completed

B. Obligations

The department recognises that your Development Approval MC2019/0029 for the premises took effect on 3 February 2023. Subsequently, your environmental authority EA0002540 is now in effect, with former environmental authority EPPR00808913 superseded.

Environmental authority EA0002540 no longer includes a condition requiring significantly disturbed land to be less than 20ha at any one time. As such, the requirements in the EPO are no longer consistent with the conditions of the new environmental authority. Accordingly, this letter serves as a notice that this EPO is finalised and no longer in effect.

Scotbar Pty Ltd is reminded of its responsibility to comply with the conditions contained in Environmental Authority EA0002540.

Should you have any queries in relation to this notice, please contact Dylan Johnston, Senior Environmental Officer on telephone number 3894 8165 or Dylan.Johnston@des.qld.gov.au.
