RE: Submission of Stage 1 Environmental Evaluation for Mt Rawdon Gold Mine

Dear Dean

Thank you again for your time in Cairns to discuss the findings of Stage 1 of the Environmental Evaluation. As required by the Notice to conduct or commission an environmental evaluation received on the 18th May 2018 (STAT1264; EPML00712113), please see attached report titled *MRO 1.2 Stage 1 EE – Conceptual Hydrogeological Flow Model*.

We appreciate your team will need time to review the report, however should any questions arise please do not hesitate to contact Paul Wright – Environmental Superintendent on 074156 2293 or email paul.wright@evolutionmining.com.au.

Stage 2 report of the EE will be submitted by the 18th May 2020 and we look forward to further discussions with you and the team prior.

Yours sincerely,

Jamie Coad
