Submission of Stage 3 Environmental Evaluation for Mt Rawdon Gold Mine

www.evolutionmining.com.au

Dear Luke

As required by the Notice to conduct or commission an environmental evaluation received on the 18th May 2018 (STAT1264; EPML00712113), please see attached report titled *Mt Rawdon EE Stage 3_Final Report*.

This completes the required investigation reporting for the Environmental Evaluation and we would like to thank the Department for their ongoing receptiveness over the past two and half years.

We look forward to further discussions as we work towards an EA amendment, however should any questions arise in the meantime, please do not hesitate to contact Paul Wright – Environment & Community Relations Superintendent on 074156 2293 or email paul.wright@evolutionmining.com.au.

Yours sincerely
