Dear Sir/Madam

On Friday, 1 March 2019 under the *Environmental Protection Act 1994* (the Act) the administering authority issued an environmental protection order STAT1361 (EPO) to Amaca Pty Limited (Amaca). The administering authority is the Chief Executive of the Department of Environment and Science (the Department).

The EPO was issued in respect to mining disturbance on non-current Mining Lease ML1107 (the relevant mining lease) situated on Minjerribah (North Stradbroke Island).

The department has considered the submissions of Amaca, including the Completion Report and has determined that Amaca has satisfied the requirements of the EPO. Accordingly, this letter serves as a notice that this EPO is finalised and no longer in effect.

Amaca is reminded of the obligations under the Act, including the obligations relating to Environmental Authority EPSL00063913 and the general environmental duty (GED) under section 319 of the Act. With respect to Environmental Authority EPSL00063913, you are encouraged to contact Ms Kirstie Treloar by email at kirstie.treloar@des.qld.gov.au to arrange a pre-lodgement meeting to progress towards the surrender of this permit.

Should you have any queries in relation to this letter, please contact Toshi Yoshino on telephone number (07) 5626 6865.
