**EPO STAT1417 – Cudeco Limited (Cudeco), Rocklands Project, EPML00887913**

Dear Ms Trenfield,

I refer to the Environmental Protection Order (EPO) STAT1417 issued to CuDeco Limited (CuDeco) by the Department of Environment and Science (the department) on 11 October 2019. The EPO was issued in respect to the activities of CuDeco on land described as Mining Lease (ML) 90177, ML90188, and ML90219 (the Rocklands Project).

In determining compliance with the requirements of the EPO, the department has considered various submissions made by or on behalf of CuDeco in response to the requirements of the EPO.

The department has determined that CuDeco has generally satisfied the requirements of the EPO. Accordingly, this letter serves as notice that the EPO is finalised and no longer in effect.

Should you have any queries in relation to this letter, please contact Daniel Gunzburg on (07) 4222 5331.

Yours sincerely,

Jacob Toe
