EMAIL: dave.moss@metserve.com.au

Our reference: APP0051420

Cc: The Mining Registrar
Coal Assessment Hub
Department of Natural Resources, Mines and Energy
Email: CoalHub@dnrme.qld.gov.au

Further information is required to assess an application for a site-specific environmental authority and proposed PRC plan

1. Application details

The application for a site-specific environmental authority and proposed PRC plan was received by the administering authority on 2 April 2020.

The application reference number is: APP0051420

Land description: MLA 700060

2. Information request

The administering authority has considered the abovementioned application and is writing to inform you that further information is required to assess the application (an information request).

The information requested is detailed in Appendix A attached.

3. Actions

The abovementioned application will lapse unless you respond by giving the administering authority -

Queensland Government

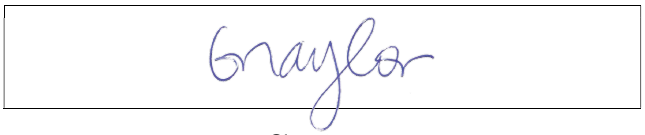

(a) all of the information requested; or
(b) part of the information requested together with a written notice asking the authority to proceed with the assessment of the application; or
(c) a written notice –
    i. stating that you do not intend to supply any of the information requested; and
    ii. asking the administering authority to proceed with the assessment of the application.

A response to the information requested must be provided by **4 January 2021** (the information response period). If you wish to extend the information response period, a request to extend the period must be made at least 10 business days before the last day of the information response period.

The response to this information request or a request to extend the information response period can be submitted to the administering authority by email to CRMining@des.qld.gov.au.

If the information provided in response to this information request is still not adequate for the administering authority to make a decision, your application may be refused as a result of section 176 of the *Environmental Protection Act 1994,* where the administering authority must have regard to any response given for an information request.

If you require more information, please contact Business Centre (Coal) on the telephone number listed below.
