Decision on request to extend the information response period for an application for a PRCP schedule

Thank you for your written request received on 16 February 2023 to extend the information response period and further correspondence received on 17 February 2023 agreeing to extend the information response period from 10 March to 11 April 2023. This request is in relation to the application described below.

1. Application details

The application for a proposed PRC plan was received by the administering authority on 28 July 2023.

The application reference number is: EPML02840015.

Land description: Mining Lease (ML) 90241.

2. Decision on requested extension to the information response period

Your request to extend the information response period has been approved. The information response period has been extended and will now end on **11 April 2023**.

3. Reasons for the decision

Extending the submission period of the information request will provide Round Oak Minerals Pty Limited with a reasonable amount of time to complete technical studies and incorporate them into a response to the information request.

4. Human rights

A human rights assessment was carried out in relation to this decision, and it was determined that no human rights are engaged by the decision.

¹ The Department of Environment and Science is the administering authority under the *Environmental Protection Act 1994*.
