Limitations

This document has been prepared on behalf of and for the exclusive use of the client. This document has been prepared with all due care and attention according to accepted practices and techniques. This document is intended only for the client and may not be relied upon by any other person.

In preparing this document, STEER Environmental Consulting has relied upon, and presumed accurate, certain information (or absence thereof) relative to data provided by government officials and authorities, the client and other sources as identified in the document. Except as otherwise stated, STEER Environmental Consulting has not attempted to verify the accuracy or completeness of any such information.

STEER Environmental Consulting accepts no responsibility for any misuse or application of the material set out in this document for any purpose other than the purpose for which it is provided. STEER Environmental Consulting disclaims any and all liability for damages of whatsoever nature to any other party and accepts no responsibility for any damages of whatsoever nature, however caused arising from misapplication or misinterpretation by third parties of the contents of this document.

Confidentiality

This document contains information and data that may be confidential and/or subject to intellectual property (IP) restrictions. Readers of this proposal agree to be bound by confidentiality and IP provisions in order not to cause any damage or hardship to the data and/or IP providers.

This proposal is 'Confidential' and readers should seek clarification from STEER Environmental Consulting before using, transmitting or reproducing this information in any way.

Copyright

This document, electronic files or software are copyright and the information contained therein is solely for the use of the client. Apart from any use as permitted under the *Copyright Act 1968*, no part may be reproduced in any form without written permission from the STEER Environmental Consulting.
